VOLUME VII--FIRST ISSUE---FRIDAY, JUNE 22nd, 1951--BRISBANE, CALIFORNIA

THE EDITOR SPEAKS:

HOWDY, NEIGHBORS!

WELL, HERE IT IS THE START OF THE SEVENTH VOLUME. THAT MEANS THAT SOME SIX VOLUMES OF TEN ISSUES EACH--OR, SIXTY BYLINES--HAVE SURVIVED THE PAST YEAR & TWO MONTHS SINCE THE BYLINE WAS BORN IN YOUR EDITOR'S IMAGINATION. IN THE PAST FOURTEEN MONTHS, THE BYLINE HAS MADE NO PROFIT FOR ITSELF. PARTLY BECAUSE THE PRICE OF SUPPLIES HAVE DOUBLED AND TRIPLED SINCE THE VERY FIRST ISSUE. FOR INSTANCE---LOOKING BACK ON THE OLD BILLS FOR SUPPLIES, WE NOTICE THAT OUR FIRST REAMS OF PAPER COST US 90¢ PER REAM. LAST WEEK WE WENT TO OUR SUPPLY HOUSE FOR THIS MONTH'S SUPPLIES. EACH REAM OF PAPER COST US \$2.20!! AND SINCE OUR MELGER START FOURTEEN MONTHS AGO, WE HAVE NOT ONLY ADVANCED OUR PAPER FROM A FOUR-PAGE TO A SIX-PAGE---BUT WE HAVE ALSO RENTED AN OFFICE; BOUGHT A TYPEWRITER AND A NEW MIMEOGRAPH MACHINE; MOUNTAINS OF SUPPLIES: A GLASS COUNTER FOR THE OFFICE; AND SUNDRY SMALL ITEMS---BUT ALSO HAVE BEEN SENDING OUT OVER FIFTY FREE COPIES OF THE BYLINE EACH WEEK TO OUR SERVICEMEN WITH FIRST-CLASS POSTAGE. OUR BOOKS NOW SHOW A DEFICIT OF \$131.17--WITH STILL MORE BILLS COMING DUE AND ANOTHER MONTH'S SUPPLIES TO BUY AND OFFICE RENT TO PAY.

TO SOME OF YOU, THE ABOVE WILL SEEM FOOLISH, AND A WASTE OF TIME AND MONEY. BUT IF YOU HAVE TAKEN THE TIME TO READ THE LETTERS WE HAVE PRINTED ON OUR PAGES---LETTERS FROM OUR LONELY AND HOMESICK BOYS AWAY OFF SOMEWHERE IN KOREA, JAPAN, GERMANY, AUSTRIA, AFRICA, ENGLAND, AND THE VARIOUS CAMPS ALL OVER THE UNITED STATES--YOU WILL NOT CALL IT FOOLISH, OR A WASTE OF TIME. IF YOU HAVE TAKEN THE TROUBLE TO READ THE IMPORTANT ANNOUNCEMENTS WHICH HAVE APPEARED ON OUR PAGES: IF YOU HAVE BEEN ONE OF THE MERCHANTS WHO HAVE ADVERTISED ON OUR PAGES AND HAVE GOTTEN GOOD RESULTS FROM YOUR ADVERTISING: IF YOU HAVE ENJOYED THE BOOK REVIEWS, THE CONTINUED STORY FOR THE CHILDREN, THE LITTLE NEWS ITEMS, THE POEMS, AND YES--AN OCCASIONAL "CRY FOR BATTLE" FROM ME, YOUR EDITOR--ON BEHALF OF THE UNDERDOG BRISBANE AND IT'S CITIZENS, YOUNG OR OLD--THEN THE PAST FOURTEEN MONTHS HAVE BEEN NO WASTE OF TIME. LET'S HOPE THE BYLINE CAN GO ON OPERATING, WHETHER IN THE RED OR NOT--BECAUSE BRISBANE NEEDS US, AS WE NEED BRISBANE. GOODBYE FOR NOW--YOUR EDITOR IS TAKING ONE WEEK'S VACATION---BUT WILL BE BACK IN HARNESS FOR THE JULY 6 EDITION!

June 9:51

Dear Gladys Reece, Editor:

You don't know me--but I receive my issue of the Byline regularly, and I want to thank you for making me feel a little closer to my home town.

I am back in the hospital again, as the leg I got the shrapnel in on April 4th had to be operated on, so here I am in Japan. As I was coming out of the "dope" they gave me, I looked on the desk beside my bed, and the first thing I saw was my most recent copy of the Byline--so I decided right then to write you a letter of thanks. After I leave the hospital, I'll probably be on my way to the states where I can convey my personal appreciation to you.

I shall close, hoping to see Brisbane in a month or so.

Sincerely,

CPL. JOHN A. CORYELL

P.S. You had an article in one of your Byline's about the wound I received last April. THANKS!

Somewhere in Japan

June 7th, :51

Dear Gladys & Warren:

This is the last chance I'll get to write while I am still in Japan. We are going back to Korea tonight.

I am enclosing the snapshot of myself for your Byline office window. As you can see, we are wearing whites over here now. Otherwise I would send you a picture of me wearing "Navy Blues". The picture was taken on the deck of my ship right after captain's inspection!

Haven't any more time right now, so I'll cut this short. Please say "hello" to everyone for me.

As ever,

DON ROBERTSON.

EDITOR'S NOTE: Above are letters from two of our local boys. One is in the army--the other is a navy man. How can we lose when we have such fine young men representing us in the present world of chaos?????

THE WONDERFUL PENNY--by ELIZABETH ALICE THEIS--FINAL CHAPTER:

The handsome man in the doorway quickly appraised his surroundings--the iron cot on which somebody lay, the rickety table, the cheap tin stove--the broken dishes, and the remnants of stale buns.

The lad arose from his place, his eyes still blurred from his wonderful dream. Who was this man? thought Bunny. Why was he here?

The boy's limp went to the watching man's heart. He swiftly read the big questioning eyes turned in his direction. Mentally, the man was searching for some tactful explanation of his presence here.

Bunny was standing near the table, his penny clutched tightly in his hand. He liked this well-spoken man. Bunny heard the stranger saying "It is Christmas--and I was lonely---"

The stranger went on, "I understand your name is Bunny" and the lad answered--"Mother named me in honor of the Easter Bunny, because I was born on Easter morning."

A shadow crossed the man's features. "Your mother always was imaginative. That's why I loved her so." Bunny's thin little face lighted with surprise--"You mean you knew my mother?"

The man nodded and said, "I've been looking all over the world for you. It's wonderful that I could find you on Christmas morning. You see, I'm your father. Soon after your mother and I were married I left for Europe to continue my studies. I never received your mother's letters, and didn't know until recently that my parents had hid them from me--they thought they were acting in my best interests. I just recently found all your mother's letters in an old trunk, and learned for the first time, that I had a son somewhere in the world."

Bunny was clinging tightly to his wonderful penny and remembering what the Fairy Queen had said about granting him what he wanted most in all the world. This was IT--a real live father! In a lovely daze he heard his father say, "My car is outside. Shall we go and have a Christmas breakfast? And perhaps you would like a Christmas Tree with ornaments---and some little tin soldiers???"---

But Bunny did not forget the Penny Man in his new-found joy. With him he had not been able to buy a cheap little tin soldier, but with him he had gone to Fairyland. As he turned to go with his father, to step into a joyous new world, tight clasped in his hand was the WONDERFUL PENNY!-----the end.

If your pet shows any symptoms of stomach disorder at all, it is wise to get it to the Veterinarian at once.

AMER. LEG. AUX. GIRL STATE NEWS:

Broadmoore, Daly City, and Brisbane share the Girl State Program, as they all have pupils going to Jeff Hi. This year a girl was chosen who lives in Brisbane. The girls are picked for all-year round activities in school. Our girl this year is one who stands out in every way, and will be a very out-standing person to represent the American Legion Auxiliaries in Sacramento this year. The girls spend one week there, learning the complete set-up of our State Government, and how the Court is carried on. They carry on Court within the Girl's State Group, themselves.

Alfreda Pistohl was the girl chosen this year. She will leave the 20th, with all other girls chosen from schools all over the county and state. She will be sponsored by the Legion Auxiliary, and will have all expenses paid.

The Girl State luncheon was held Saturday at the Villa Char-teiro in the Lanai Room. 78 persons were present. Those attending from Brisbane's Unit were Lorene Harris, Girl State Chairman--Maude Mullen, Unit Secretary--Alfreda Pistohl, Honored Guest--Ann Allen from Daly City, last year's Girl State Girl.

Corsages were presented to this year's Girl State Girls, and their mothers; and to last year's Girl State Girls. Leis were also presented to the girls. The Dist. Chairman, Jaunita Henderson, had arranged a very lovely luncheon.

TO THE PEOPLE OF BRISBANE:

IT WAS NOTICED BY NUMEROUS PEOPLE, THAT DURING THE WESTERN DAY'S PARADE MOST OF THE PEOPLE WHO WERE WATCHING FAILED TO PAY ANY RESPECT TO THE AMERICAN FLAG AS IT PASSED. OUR FLAG IS WHAT WE HAVE FOUGHT FOR IN PREVIOUS WARS, AND WHAT WE ARE FIGHTING FOR NOW, IN KOREA. LET US PAY DUE RESPECT TO OUR FLAG WHENEVER AND WHEREVER IT IS PRESENTED.

signed--WALTER A BLAIR POST #9769--VETERANS OF FOREIGN WARS.

EDITOR TO STAND WEEK IN CITY:

If you fail to see the Byline on sale next week, it's because your po' little ol' tired Editor is stretched out in her girl friends apartment over in the city for a whole week's rest.

ADOPTION OF 25th INFANTRY:

The San Mateo Chamber of Commerce and American Legion Post 82 took steps to adopt the 25th Inf. Div. now stationed in Korea, recently. The plan is to be known as "Operation San Mateo" and so designated in a communication received from Brig. Gen. J.S. Bradley, commanding officer of the 25th Inf. Div.

Tentative plans call for a huge public kick-off to be held in San Mateo the latter part of June, at which time "Operation San Mateo" will be officially activated. Prominent army and public officials will be present to participate.

FIRE REPORTED:

On Friday, June 15th, there was a fire at the apartment house of Mrs. E. Roeder. A mattress caught on fire in the apt. of Mrs. J. Roberson, and was demolished. Sgt. Al Tarfel, who lives upstairs, and attends the Palo Alto Military Academy, put the fire out and had the mattress outdoors before the fire dept. arrived. The fire dept. was very prompt in answering the call.

BOY SCOUTS GRATEFUL FOR PAPER DRIVE:

The Brisbane Boy Scouts and their committee wish to thank the people of Brisbane for their cooperation in the paper drive held in May. Around nine and one-half tons of paper and magazines were picked up. We wish to thank the people who donated the services of their truck and trailers--also the people who gave up their Sundays in order to make the paper drive a success.

Another paper drive will be held in August, so we urge everyone to save and bundle all their papers and magazines for the drive. Thanks again to all who helped out
---RALPH RUMBAUGH--Scout Master, Troop #134, Brisbane.

BOB MINK IN TEXAS:

COMMUNITY CHEST BROCLURE:

At a meeting held last week of the newly formed Public Relations Committee of the Community Chest of San Mateo County, chairman Glen O. Smallcomb announced that a new brochure entitled a "REPORT TO THE PEOPLE" was being prepared for distribution throughout the county. The brochure is designed to tell the story of the chest and it's 12 agencies which are now operating on a small budget raised in the campaign last Fall.

The committee feels that every media must be used in order that the citizens of San Mateo County may know more about the 12 Red Feather services being furnished all year long. Smallcomb strongly urged all citizens to see for themselves the actual operation of as many agencies as possible.

The Speakers' Bureau which is being formed by this Committee under the direction of Elwyn G. Gregory, reported plans are well under way and soon some fifteen speakers will be telling the Chest story throughout the County.

DRIVER DOOKED ON HIT-RUN CHARGES:

San Mateo Co. police recently booked a 23 year-old steel worker for manslaughter and hit-run driving charges after he admitted side-swiping a car on the Bayshore Highway near Brisbane last Friday nite. Edward Aponte was the driver who struck the car of Wm. Newville, 62, who was killed in the accident. Both men were from San Francisco.

SPORTS WRITER WANTS COMMENTS:

The Byline's Sports writer, Ron Wright, would like to hear from the sports lovers in this area. He asks that you drop him a line in care of the Byline, giving him your suggestions and criticisms of his column. He also reports that due to lack of sports activities this summer, there will be only an occasional item from him until High School reopens for it's fall term.

COCO-COLA DONATED FOR SCHOOL PARTY:

We have learned that the coco-cola, fifteen cases of it, which helped make the eighth grade graduation party such a success was freely donated by the Coco-cola Company of San Francisco. We think they deserve three rousing cheers for their thoughtfulness.

We have also had the opportunity of examining the favors which decorated the tables at the party. We understand these favors were made, designed, and donated by Mrs. Koster, and we also think she deserves a rousing big THANK YOU from all of us.

Since the seventh graders did most of the work of supplying the goodies and so forth for the party, they, too, should get bouquets for their trouble.

And to Orry Facchini for furnishing the music, we say "A ROLL ON THE DRUMS TO YOU!"

To Beth Duncan for her piano playing--BRAVO! and ENCORE!!

T/SGT ASA STOUT HERE FOR 10 DAYS:

Mr. and Mrs. D.D. Stout, of 312 Visitacion Avenue, have been enjoying a long awaited visit with their youngest son, T/Sgt Asa E. Stout and family, who arrived here from Biggs Field Air Base.

T/Sgt Stout had just returned from nine months of service in England, Wales, and North Africa, where he had been with his B-50 Squadron. Asa is a World War II Veteran, having served with the 1st B-29s to be sent into the Pacific battle zone, and has the Distinguished Flying Cross, the Air Medal with Three Oak Leaf Clusters, and the Purple Heart.

Mr. and Mrs. Stout expect their other son, Lt. Victor H. Stout who is now in Korea, home sometime in August. Lt. Stout was recently awarded his second Silver Star and Bronze Stars of World War II, when he served with the 90th Division in Europe, landing on the Normandy Beach on D Day in June--through the Falaise Gap, to Germany.

The Stouts hope, like thousands of other parents, that their only two sons can soon be back in the U.S. for good, and enjoy the American way of life, for which they have given so much, like thousands of others.

The BYLINE extends heartiest congratulations to the Stouts on having two such wonderful sons in the service of our country. All of Brisbane can be proud when these real Americans say "I'M FROM BRISBANE!" And Brisbane can also be proud that Mr. and Mrs. Stout are citizens of it. Without citizens like these, we could not have Service Men like those!

GREYHOUND CASE FINALLY SETTLED:

A superior court jury in San Francisco recently awarded James O'Brien, 34, \$100,000 damages for injuries he received in November, 1945, when a Greyhound bus skidded into the automobile in which he was riding. O'Brien, chief clerk in the Bethlehem Steel Company plant, in So. S.F., was riding with Lawrence M. Zelayeta, plant Supt., at the time of the crash on Laguna near Brisbane. Zelayeta was burned to death in the fire which followed.

The widow, Mrs. Elena Zelayeta, won a \$75,000 damage verdict in court and the case was appealed to supreme court. Two previous juries had failed to agree on a verdict in O'Brien's case.

Executive Committee Women are Virginia Woodard, Lura Byars, and Lorene Geiss. LOCAL WARDENS FINGERPRINTED:

At the meeting of all Brisbane Civil Defense Wardens held at the Legion Hall Tuesday night, June 19th, Acting Chief Warden Warren Reece and Chairman John W. Smith introduced Deputy Sheriff Everett S. Heagney of Sheriff Whitmore's office as the fingerprinting expert here. Also introduced was Ralph Shaw, representing the County Chief Warden's office who explained the procedure in which all wardens fingerprinted will be screened, and those accepted will be given a course in first aid in the near future. After the block wardens have passed the first aid course, they will be taught "minor-evacuation procedure" and elementary methods of minor fire-fighting. A survey will then be made of all children and invalids unable to help themselves in case of emergency so that all block wardens will know exactly the number of people in each house, eliminating the possibility of someone being left behind in case of a bombing.

Those who appeared at the Tuesday night meeting to get fingerprinted were Chairman John W. Smith, acting Chief Warden Warren Reece, Clerk Gladys Reece, Secretary Carolyn Cook and the following block wardens: Art Kennedy, Lee Callahan, Mrs. Vera Scott, Fred M. Laing, Eleanor Saunders, Fred Dundas, Angela McCauley, Jerry Geist, Carl Johnson and Ralph Geist.
